

ENGINEERING PROCUREMENT CONSTRUCTION PROJECT MANAGEMENT VIRTUAL & IN-PERSON FORUM

Join the key executives from major operators and contractors to discuss a new era of opportunities and challenges....

SHARE • EXPLORE • THRIVE

**29-30 NOVEMBER -1ST DECEMBER 2021
AMSTERDAM, NETHERLANDS**

Dear Patron,

"Engineering Procurement Construction Project Management Forum" will bring together experts from major operator & contractor companies around the world.

The event will be a platform for professionals from the EPC industry to share their knowledge with the industry peers and benchmark on the best practices.

We will cover a wide range of topics with many sessions exclusively dedicated to one2one networking and knowledge sharing and are partnering with leading organizations and companies at this conference to spotlight various industry challenges, success stories, and solutions which will help the participants to understand the current market dynamics and what is required to move forward efficiently and cost effectively.

Looking forward to meet you in Amsterdam.
